“ I have wonderful memories of my Uncle Bonny. I remember lots of camping trips and staying up late playing at his house and he never complained! But what I am most grateful for was his generous spirit. When I was a child he always made me feel like his home was my home and anything he had I was welcome to use..and when no one was looking he would wink at me and I'd feel ten feet tall. miss you

“ Ann, Cynthia, Rebecca, Phillip and family,
I was saddened by Bonnie's stroke and now his death. Memories are so good to have, I remember when you lived in the house on Washington St in Union City and I would babysit for the family. Then when he was Mayor, it was a less stressful time in all our lives. May peace be with you and your memories help you thru these days ahead.

“ He was truly a fine man - a gentleman of the old school. He was quick to help others at any time. I've had coffee with him many times mornings at our local McDonalds restaurant and got to know him fairly well.
He will be missed.
