

Brad William Coley

September 17, 1979 - May 15, 2025

Brad Coley, a beloved son, brother, and uncle, passed away on May 15, 2025, at the age of 45. Born on September 17, 1979, Brad was known for his warm heart, adventurous spirit, and deep love for the great outdoors.

Professionally, Brad dedicated his career to working as a Construction Estimator for Swinerton, where he was respected for his dedication and skill. Outside of his professional life, Brad had a passion for hunting, fishing, skeet shooting, and making duck calls. He found immense joy in mountain biking and cherished his time spent on the lake, where he felt most at peace.

Brad's love for his family was evident in all aspects of his life. He is survived by his loving parents, James and Janice Coley, who were constant sources of support and encouragement throughout his life. He leaves behind two brothers, Brent (Keri) and Blake Coley, with whom he shared countless treasured memories. Brad was also a proud uncle to his niece, Lola Coley, and nephew, Karson Coley, both of whom brought great joy to his life.

Although Brad is no longer with us, his memory will live on in the hearts of those who knew him, and he will be deeply missed by all who had the privilege of sharing in his life's journey.
