She was a truly beautiful soul who lit up the world with her radiant, outgoing personality. She always found the good in everything and everyone, and her positivity was contagious along with that beautiful smile. She was such a kind, loving presence in my son's life being a constant cheerleader, and I'm deeply grateful for the time I got to know her. Being part of their wedding was an absolute blessing—one I will treasure forever. Brandi Manuel and I will miss you greatly! Rest in peace friend!

I had the pleasure of being her Stepfather Between January 1985 and 1989. She was Absolutely the Best and Kindest person you'd ever meet. She had been through a lot in her (too short) life and had the resilience of a Phoenix and Always Rose from the Ashes many times and kept her loving attitude through it all and is now an Angel - Greg A.
