“ So sorry for your loss! BJ was always so positive and upbeat when she was around. Beautiful smile and personality. Always enjoyed the slide shows of her, Ken and the little monkey travelling across the USA. She was so excited telling us all the memories of where they went and how they never had reservations anywhere but always knew where to stay when they saw it. "Well Alrighty" as she used to say, she is now in a better place!

“ My mom put everybody else first but herself I wish she didn't have to grieve over her first child Tony Thomas (August 6th 2021) passing and going through the stress of taking care of her husband with Alzheimer's Even though that she was grieving over my brother she was putting her husband first did not want anything to happen to her husband Kenneth's Housworth. She lived long years and now she's at peace. And a lot of prayers for his son Greg Housworth and a lot of prayers for Kenneth's Housworth thank you!
