I am so sorry for your loss. I tried to find Elaine ,but had no luck. We were childhood friends and played softball together and basketball too. I loved her,she was my best friend and then I married and moved away to Florida. I am so sorry that I didn't keep in touch. I tried for a couple of years now and was unable to get in touch with her. I am truly saddened of finding out of her passing. I think of you often.

“ *I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the sciptures fill you with hope and promise.*

“ It is so long ago by years but fresh in my memories the many times I got to share my life with Elaine. Playing softball together for so many years, traveling to tournaments and being a part of various winning and losing teams has left a special place in my heart for my fellow and now departed friend. Elaine, may we play together once again when we meet up once more in heaven. My deepest sympathies to Elaine's family at this time of sorrow and loss.

“ My condolences to the Roberson family for the loss of your beloved sister Elaine. Elaine was a special friend, classmate, and basketball and softball teammate. I will always treasure all the memories of all the summers we spent on the softball field. The Atlanta Braves and Georgia Tech Jackets have lost one of their biggest fans! Rest in peace my friend!

Where do you begin to share about this amazing person Lots of memories with her and her entire family. She will be missed dearly. My heart goes out to you all. I am sure her mom was waiting for her at those pearly gates. Elaine was one of the kindest sweetest and most gentle souls you would ever want to meet. You were the best!
