“ I was saddened to learn of Brenda's passing from our presence on earth. Though I did not know her well, I remember her from CHS as a "Baronet", and we shared a few notes online a few years ago. She loved and cherished her family and was a very happy person. My condolences to all. Thank you for sharing the photos with us. May God bless you in the knowledge of her ascension.

“ I'm so sorry to hear about Brenda. I regret not knowing she was struggling with such serious health issues. She was always so sweet and especially caring to me through Facebook after my husband passed. She and I shared the same wedding anniversary, and both our husbands... Mike and Fred... were Vietnam veterans. My prayers are for the family and their loss. We will see you again, sweet friend. 💜

“ *Brenda was my neighbor and friend. She fought for so long and is now at peace. She never complained about having to go through all that she did...a beautiful, gracious lady and with a heart of gold. In all my life, i have never seen anyone who was as good as Fred. He was at her side every minute and the most wonderful care giver to Brenda. That is what I call LOVE...She will be greatly missed .
