“ Gary I am very sorry for the loss of your sister. She was in John's high school class. I met her a couple of times at Hartford Alumni events. My sympathy to all of her family. My prayers are with you.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ I remember Brenda as a hard and smart worker when I started with MediaOne in 1998, and continuing when our company merged with Comcast. Brenda was always available to answer my questions about our job and to offer assistance when needed. She had her share of problems outside of work, but as competent and able a worker as she was, outside concerns never got in the way of the quality of her work or friendly attitude with her co-workers. After our departments split up and we no longer worked in the same office the past 5 years, I always sent Brenda a Happy Birthday email on June 30. I will miss not sending her Happy Birthday wishes in the future on June 30, but I am grateful to have known Brenda and to appreciate her work ethic which every company needs.
