“ I am saddened to hear of Bruce’s passing.
We shared flight training and the “cadet experience “ and ended up at Delta about the same time.
Then we drove each other nuts with riddles and brain teasers for thirty years!
Please accept our condolences and heartfelt sympathy.

“ Very sorry for your loss! What a great guy to fly with, he gave me my initial check on the DC-9. We had a layover in Cleveland, and he had an airport car that he would go see his mom with. However, this was St Patrick’s Day, and we went to one of his favorite watering holes, that was 40 years ago, and every St Pat’s Day I fondly remember him and our crew rest. Thanks Max, Semper Fi!

“ I had the pleasure of flying quite a lot with Bruce at Delta. One day we experienced a serious flight control problem, split flaps. Bruce handled it like a pro and safely landed the aircraft. I remember him fondly. May he Rest In Peace. John Dearie
