Your kind word and love will be always be in my heart. I knew that you loved me so much, I could feel it without you even saying a word. I love you and I will miss you greatly.*

“ Uncle Buck, you will be missed more than words can express. I loved you so much and you were always so much fun to be around and made us all laugh. There will never be another "Wheat" and I am grateful to have had you in my life. Your passing has left a whole in all of our lives. I know Aunt Diane and Shannon will miss you every minute of everyday but I know you will always be with them. I love you and look forward to when we will laugh together again in the Lord's house. God bless you.

“ I will miss you so much, Buck. This world is just not the same without you in it. And I had been thinking I was going to get more chances to come down and see ya'll when the kids were both off to college. Just shows not to put things off. I've known your love all my life and you seemed more like a big brother than an uncle. Guess you're hanging out with Mama and Daddy, Nanny and Papa, Lois and Beverly, Uncle Waymon, and Cootie and Catherine now. What a bunch! You'll all always be right here in my heart. Diane and Shannon and Kaylee, I know there are no words. Just know that I wish I could be there with you and that I love you always.

“ Buck, You were the big brother I never had. You took me under your massive wings as your little brother. You bought me golf things on your shopping sprees. We played a lot of golf together. On my last birthday you gave me a Spalding 2 iron with a hickory shaft and a wrapped grip. I will bring that with me to your funeral. I will never forget you. Dennis.
