“ *What a sweet blessing B.W. and Betty were to us! They always seemed to have time to share with us whether it was B-Acts (special photo with them!) , in the Welcome Center after worship services (while he was waiting for David to pick him up!), sharing stories about his relatives in Rome, - much more. We will miss his sweet smile but praises he is now with Betty and Jesus! Our prayers love to David and Nancy and the sweet daughters.*

“ *B.W. and Betty were wonderful friends and encouragers when the Lord first saved me. God used them in a powerful way to show His great love to me. We enjoyed many meals together and was able to visit in their home a few times. I always wanted my necktie to look like his - it was always perfect! I am still trying! Thank you to their family for sharing them with us - you had a great treasure in them. May the God of Heaven give you grace and comfort now and in the days to come. With our love, Sam and Teresa Millians*

“ David and Nancy, I loved B.W. he was a good Christian man and a true gentleman. I enjoyed talking to him about gospel music. He knew so many of the old songs, the person that wrote them, and the person or group that made it popular. May you find comfort in knowing that B. W has united with Betty in Heaven. Their rejoicing is a time of rejoicing here! Frances Davis Barnes
