“ What a shock to get a call Sunday morning saying Norm had passed about 4:00 a.m. The last I heard he was sitting up and talking and coming home maybe on Tuesday. It is always hard to lose someone you love but Norm had a good life until the end, no suffering and you can be thankful for that. You all took very, very good care of him and that will be a comfort. Sorry for your loss but he is with the angels and in a better place. Our deepest sympathies.

“ We feel so blessed that we were able to share some of our time with such a special man. Seeing him pull up in his golf cart was the highlight of my day. He loved his family very much and spoke fondly of all of you. He told me once that he was lucky in love twice. We were lucky to know and love him as part of our Hotel family.

“ Norm will certainly be missed at all the family get togethers. He always had a smile on his face, a laugh or good joke and even though he could not hear well these past couple years he was a fun guy. We miss him already. Eldred and Hazel
