Please feel free to contribute to [Gofundme.com/CanzoneRobinson](https://www.gofundme.com/CanzoneRobinson). The funds you donate will go toward helping to provide for his daughters. Canzone enjoyed being a leader in his workplace, playing basketball, training in the gym and most of all, spending time with family. We will always think of his smile, laughter, and his love for making others around him feel like they are special. He is our sunshine! As one of the younger siblings, he was often

the target of jokes; he loved it. That's when he either laughed the most or sat there with a bewildered look on his face; that's the best part. He always wanted to be a businessman and he achieved that. He loved working and wherever he was employed, he brought joy to those around him. His life was not without struggles and disappointments but his spirit never wavered. He was steadfast in his faith and love for life.

“ *I would like to offer my condolences to you and your family. Suffering the loss of someone dear to you is very difficult. I would like to share a scripture with you and hopefully by meditating on God's promise found at Revelation 21:4 which says "He will wipe every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be any more. The former things have passed away." can help you found real hope and the strength to help you and your family keep going.*

“ Im deeply saddened by the loss of this young man. I had the honor of meeting him recently and he asked me to lunch. We sat around and talked about dreams, goals, aspirations, and life in general. I was impressed with his respect, demeanor, attitude, and personality. May God provide comfort to his family and friends during this difficult time. Trust in your faith and believe in Gods plan.
