

## Carl Ferguson

March 28, 1961 - December 30, 2020

The family of Carl Samuel Ferguson with great sorrow announce the passing away of Carl on December 30th. He was a victim of Covid 19. He is held in loving memories and gratefulness in how he much loved us and enriched all our lives. He is survived by his daughter, Mollie Ferguson, stepson, Sam Wall, stepdaughter, Lori Samay and stepson, Jason Redmon.

Carl was the beloved son of Margaret Worley Ferguson, and the late Samuel Pierce Ferguson. Grandson of Raymond and Sadie Randall Ferguson formerly of Greensboro, Ga. On His Mother's side, he was the first born grandson of Lamar Cline Worley and grandmother, Margaret Faulkner Worley and was his grandad's shadow for years. He was an awesome big brother to his sister, Donna Owen (and her husband Carl Owen) and to his brother, Larry Ferguson (and his wife Caroline). He was also a loving uncle to Conner Owen and his wife Emily Owen, JK Britt, Erica Owen Casey and Tori Owen Penson. Carl was an amazing father to his daughter Mollie, whom he loved greatly. He was a devoted stepfather to Sam and Lori and Jason.

In whatever role Carl found himself, he showed his love of family, deep friendships with so many people including with fellow truck drivers, gave with unselfishness and a generosity of spirit and helpfulness.

Carl loved being with our large growing family including his loving aunts,

uncles and cousins. If you love the Lord and treat everyone with love you are a Christian. We know that Carl is with the Lord, not because he was perfect in any way, but because he forgave and he loved with all his heart and he Loved the Lord. We pray that his testimony of Love will begin a great movement of Love, Kindness and Healing.

We will hold a celebration of Carl's life on Sunday March 28, 2021. Details will be provided soon.

“ I worked with Carl at Kroger we started about the same time. I worked in the truck shop as a mechanic. You could set your clock by Carl coming down with repairs to be done on his truck or trailer. Became very good friends talked everyday even when I left to work at thermo king. We both had been thru tough times. When I lost my son he called me every day then when I got divorced he was there. When I worked nights we talked just about all night. We teased each other, made fun of each other . When I contracted COVID in July he called and texted me everyday even when I could not talk. He will be really missed.

“ I have known Carl for about 5 years...I first met him as his server at Waffle House which I know was one of his favorite places to have breakfast.

Coffee, but only cream and slenda with his last cup.All others were black.A glass of water ,and 99% of the time,some kind of omlette..Or just eggs and bacon..

He was always so kind and we have spent alot of time just talking. He gave me my gun,but not until we went to the shooting range where I I had show him that I could use it..Thats just the kind of man he is.Made sure you were always safe.

I had the privilege of meeting the rest of his family in the past couple of years,and became friends and share special bonds with his mom Mrs.Margrette..We became members of the club no wife wants to join within just months..

I know and could see what a truly great and loving person and son that Carl is when I watched him tend to and care for his mother at the funeral of his dad..He truly touched my soul the way he was with her.

I have no doubt that he has a million friends who will so sadly miss him.I know without question that I will..I also have no doubt that they don't come much better than Carl..

I will miss you forever..Thank you for being my best friend when I needed you most and for being a part of my life in the past few years..I pray that you rest in peace and know that Momma will be taken care of for you..

Much Love...Suzanne
