“ To the Daughters, I am sad for your loss. Your dad was very special. I will always remember his sweet, calm spirit, and his sweet smile. Daddy loved him and looked forward to him coming to visit him in Hiram. Thank you for bringing him to see daddy. It always brightened his day. He liked to cut up with your dad about their age and he enjoyed reflecting on their days when they were young. Daddy talked often about your dad and about their long friendship. I know how you all took care of your dad and I know how much he will be missed. While my heart is sad, I know that one day we will all meet again.

Thank you for your kind words Sharon. He so loved your dad. They were two special people and we were blessed to have had them as our daddys.

“ I was blessed to be Stewart's pastor for almost eleven years at Lakewood Salvation Army. So grateful for his passion, love and kindness he showed my wife and I. Prayers are lifted for his daughters and their families. So thankful for the opportunities given to me of his devotion and love to our church family and the friendship we received from him and his wife, Grace. Love and prayers lifted to the family.

“ *Smith girls I'm so sorry for your loss. Daddy always thought the world of Stewart and momma loved Grace as well. Still have great memories of their last visit together at mothers place At Christmas before your mom passed. Of course I was able to see your dad many times after that and always enjoyed being in his company. Daddy always kidded about being the older of the two which was only by two months. Said they were having a contest to see who would live longer. Well we know who won. I like to think that all of our folks are together again and feeling great. If there is anything I can do for any of you please let me know and know that you're all in my prayers.*

“ *I have always admired Stewart for being such a wonderful man in our community. With faith and honesty which he displayed to all.*

I grew up watching him be a great example for our church and family.

Now that I have reached these golden years, I realize what a wonderful person Stewart was to me and so many others who loved him.

We will miss him greatly.
