“ Judy and Linda I just want you to know that you are in my thoughts and in my prayers. I don't know of anything that I can do or anything that I can say to make things easier right now, but just know that you will continue to be in my prayers and I know God is going to provide all if you need.

“ Judy, Linda, and all of Carlton's family, I was saddened to see that Carlton had passed away. I have fond memories of him as a classmate at CHS class of 1957. May the promises of our Christian faith give you comfort and peace.

“ Hello to Carlton’s family. I just found out that you lost your wonderful loved one. I’m so sorry for your loss. Linda, I remember our days growing up so well. You, Carlton and David we’re truly family. We had such carefree lives back then and didn’t know it.

There could not have been a better person his entire life than Carlton and I know his wife and children and grandchildren will miss him every day. They can be very proud of the person he was and how he lived his life. May your memories comfort you all.

“ Looking at the pictures of your family's sweet memories of Carl put a smile on my face. He was a good Christian man and set a good example of how to handle the good times and the bad that life gives us. May God comfort and keep your family close during this temporary good-bye because one day you will be reunited in Heaven.
