

## Carol Benner

March 14, 1945 - December 1, 2022

It is with great sadness we announce the death of our beloved mother, Carol Benner. She died peacefully on Thursday, December 1, 2022. Our beloved “Ms. Carol” was born in Fairburn, GA to Clarence and Mildred (Gordon). She is survived by her children Mark, William and Michelle and her brother Randy. She was a beautiful, loving, kind and sophisticated woman that touched every one she met with her unique brand of charm. Carol Benner was a true survivor who taught her children what it meant to be strong and independent. She was an ambitious business woman who sold cars to literally everyone in Atlanta. She absolutely loved working in the car business and was an incredible mentor to so many colleagues in and out of the business. Her children were told constantly that she was the best in the business – and not just from her! Michelle took this picture of her in 2013... it is an absolute favorite...we will miss you so much Momma! We are so thankful to have had you as our mother. Ms. Carol did not want a funeral or memorial service but we would like to ask that while you gather with loved ones this holiday season, raise a glass to her, tell a funny Carol story, dance and sing to the music, wear that great outfit and the fancy jewelry and simply enjoy it all.

“ Carol and I became friends in 2010 when I met her through Frankie Vinciguerra. She was very special and she spent many Sundays with Frankie and I having dinner and swapping life stories. She enriched my life by being a loyal friend even as life moved on for use all. I will always cherish the memories. God speed Caroll... see you in the hereafter honey!

Carol and I were best friends in high school. We were always laughing and getting in trouble in class for talking. I remember riding bikes and laughing so hard we would have to fall over in the grass. We stole a few crabapples from Mr. Bledso's tree and I got in a little trouble for that. So many fun times. I never thought our lunch the week before Thanksgiving would be the last. RIP Carol.

“ It's so hard to lose a best friend. Carol and I have been best friends for nearly 50 years. I guess that means we were family. We talked almost every day. I will miss her dearly.
