I saw Carol at our 50th High School Reunion, she was always such a sweet person.
I remember her from classes & her playing basketball so well.

Enjoyed working with Carol and being friends with her then and after she retired. She was a hard worker and was always willing to help you. I was going by her apartment after work today to visit and give her a gift for her birthday; but there is no gift that I could give her that would compare with her celebrating with Jesus. I will miss her but I know she is not suffering anymore and one day if we belong to Jesus we will have a great reunion with our loved ones that have gone before us. To Carol's family, you are in my thoughts and prayers. May God comfort you and give you strength during this difficult time. In His Love, Syble Storey

Carol and I spent a lot of time together in the 70's. We laughed a lot and enjoyed each other's company. I remember the birth of both sons and how devoted Carol was to her family. Although a lot of time has passed, memories of Carol's sense of humor, her smile, her intelligence, and her work ethic remain. May you find some comfort in knowing that there are many friends who care and are sorry for your pain. With Deepest Sympathy, Pat McBurnett

*Carol was an amazing co-worker and even better friend. We met at AT&T and shared our love of family. Her adoration for her sons was inspiring, and she was so supportive with me when my children were born. I will keep her near and dear in my heart forever. My prayers are with her family for strength and comfort. God rest your soul Carol!
