“ *To the family of Carol Gillespie:*

*My thoughts and prayers are with you all. I worked with Carol at Delta Air Lines and stayed in contact when she moved to DGS. She was a wonderful person and will be greatly missed.*

*I honestly did not believe it when I heard the news this morning that she had died in March. I am sorry that I missed the service but my heart goes out to her family and especially her daughter. She talked about her daughter often.*

“ I met Carol and Terri in 2003. We went to San Juan with Carol Burgen who is a mutual friend of ours. That was the beginning of a great friendship and later we were co-workers at DGS for many years. We went to many wonderful places like Barcelona, Colombia, Panama (went through the canal together!), St. Lucia, Kuwait, Punta Cana, Barbados and, our favorite, Malta. We also took many day trips together. Each trip was wonderful and unique with adventures and funny stories. The Malta trip was special though because it was Christmas and everything about the entire trip was magical. I always admired Carol for her strength and her willingness to help people. I cherish the time we had together and I will miss her very much.

“ 🙏😭 I went to Lake City Baptist Tabernacle with Carol and we were in the same graduation class at Forest Park, she was the sweetest person. She worked at the church with my mother. There were some missionary friends that were visiting so I rode my horse over to the church one day to see them. Carol wanted to ride her, at first everything went well but when the missionary wanted to ride which was a man, that didn't go so good. My mare didn't cotton to men and she ran away with him, he wasn't hurt but Carol wanted to ride again, it was down hill from there and she ran away with Carol, when I got back on her she ran away with me too. Carol wasn't hurt but that was a day to remember. I have such fond memories of Carol while at Lake City Baptist Tabernacle.

*I worked with Carol at Delta Air Lines and will always remember her beautiful smile and genuine work ethic. After she left Delta, we reconnected with her beautiful daughter Terri who was in the same class with my son, Belton and shared stories of their time at Sandy Creek High School. Our thoughts and prayers are with the family during this difficult time, and I know Carol is smiling down upon all of us.*

“ Carol and i knew each other through work, she was always cheerful with a can do attitude. She had strong convictions and was willing to share her opinion on a variety of topics. She was proud of what she did and who she was. During a period of recovery from her surgery she attended a 'gathering' of fellow Delta / DGS employees. Spoke openly of her cancer and volunteered to help / support another DGS person going through a similar battle with (what was believed to be) a tumor. Strong and ever confident, we will all miss her. “ Carol was a very dear close friend to me and I will always remember her caring spiritual heart and her beautiful smile. We could laugh and smile for hours as we shared our lives with each other. She was always there for me at a moment's notice and we shared many life events together both good and sad times. She could "lift up" my spirits during any difficult time. She had the heart of a listener. Carol taught my youngest 2 children (Cassandra and Christopher) in Sunday school. She was there for me for my oldest daughter Angela Self's wedding and baby shower. I will cherish the times we had together and will always remember the great walks/talks we had. I will miss her but I know she is rejoicing in heaven and we will see her again..love you Carol!
