“ *Carol was a true Friend in every sense.. We used to work together at the auction and boy do I have many stories to tell... she always shared memories of her family and her vacation trips , especially the ones when they went to Disney. Oh how she loved her family so. I always remember the story of when her grandson (I think it was Luke) wanted to watch a movie and said Nana can we watch a DVDdeevy... I laughed so hard and use that term today with fond memories of where it came from.. I loved Carol so However I know she's at rest now and out of pain.*

You will be missed forever my friend...

RIP Carol... I Love You

“ So sad about Carol’s passing. She was my paraprofessional in Kindergarten and she and Jimmy made friends with my son, John, when he was an adolescent. They were so kind to him. Carol had a great sense of humor and could be so funny. ❤️🙏
