“ June and family,

Losing a parent is losing someone that you have known, loved, and trusted your entire life. You have never know life without them. Your mother was the first person who told you about a loving God. It is now time to remember Mother's teachings and advice and cling to the Christian principles that she taught you. They were good and true then and are good and true now and always. I pray that our Christian faith will comfort you until you see your mother again.
