“Doris, Cindy, Kenny, Dwayne, Brenda and Cecil, Jr. and to your families, There are no words to make your loss feel better. Daddio will always be remembered in my heart and soul. I appreciated all the times he let me tag along on family trips and all the fish fries ( The best in all the land ). I learned how to keep my cars and truck immaculate just from watching him. Our phone calls of telling each other jokes...oh I will miss those dearly. I know each and every one of you and your families have so many good memories that will get you through this tremendous loss. I hope soon your thoughts of him will turn your tears into smiles. You will be in my thoughts and prayers. Doris, I know this will be hardest on you and I cannot even imagine the pain of your loss. Love you all always, Teresita
