“ Our thoughts and prayers are with Myrna and the family. I was one of the lucky men to have worked with Charlie. He always gave his best, and that was always so much. I learned much more from him than anyone I ever knew at Delta. Charlie was, " a keeper" one of the best !!! Fair winds Charlie !!

“ Myrna & Family,

It is with sadness that we received the news this morning of Charles passing. Our thoughts and prayers are with you at this time.

I have fond memories of Charles & his family visiting the Whites shortly after Mom & Dad & our family moved to Halifax, Nova Scotia, from the Island in the mid 50's.

Charles taught me how to tell time during one of those visits, one of the greatest gifts I ever received from anyone. He also indicated that time was important and that it was the greatest gift anyone could give to another person, yet not always easy give.

There is no doubt Charlie will be sadly missed and while I have not seen him in many years, his memory will remain in my heart and the hearts of the White Family members throughout time.

Mom, is doing reasonably well and will be saddened to hear of Charles passing. Carroll will see her tomorrow and pass on the sad news.

Love to all and make time for one another,

David, Kathy & Family

“ I am Lorne, Louise and Norman's sister. I've lived in Alberta since 1951, so my times of visiting "back home" have not often coincided with your visits to the Island. So most of my memories go 'way back to when Charles Norman was just a little boy! I had just talked to my sister Louise on Sunday and you were part of that conversation! I pray that you will find strength and comfort in the Lord at this time and in the days ahead.
