“ *My Mr. Buddy. I will deeply miss him. He was so much like a father to me. I know he is in a much better place and is free of pain and suffering. But I loved him very much and it hurts so badly to let him go....RIP my sweet friend.*

“ My fondest memory is of Buddy telling stories about his historic collection. That wonderful trunk, do I recall a stuffed bear (?), and of visiting relatives on the family homeplace where he came to spend his golden years with his wonderful Ginny. Buddys was a life well lived, and we are richer for having known him.

“ So sorry to lose Buddy. He was a genuinely nice person and will be missed. I fondly remember Berma, who was my grandmothers best friend and flower fanatic! Hope someone will cherish the old homeplace.

“ When I meet Buddy for the first time in 1995, I knew he was one of a kind, a true Friend, they are hard to come by.

Buddy always wanted to help you, then asking later in his life, if you could help him, when he was unable to continue the hard work, even though he tried.

Lets make a stick run, Buddy.

God Bless,

Sidney

“ My heart and prayers are with you, Ginny. I loved Buddy and have great memories of him singing in our choir. He is in the Heavenly Choir now praising our Lord. May God comfort you and bless you.

“ *It was a blessing to know your sweet Buddy. I celebrate the life he lived, the kind heart he let guide him and the loving spirit he shared with all that knew him. While I know Buddy is rejoicing with our Lord and Savior, I mourn his loss with you. I have been holding you close in my prayers and will be praying for your peace and comfort in the days ahead.*
