“ Bryan was one of my son's best friends. My oldest son, David Beck worked many years with him at Delta. He became Scott's friend a little later. My youngest son. Scott Powell. My name is Beverly Powell. I want to share what a wonderful, kind and respectful young man and then older young man he was. He was a true blessing. There was never a time when he came to our home or I saw him that he ever had a bad attitude. He was in David's wedding and supported Scott in other ways most would never know about. I am sad for this happening. The Word of God says to be absent from the body is to be present with the LORD> So for those of us who are believers in Christ we know for sure we will be with the Lord. Julie, I never had the pleasure of meeting you. But I am sure he loved you beyond measure. And you him also. May the God of all comfort comfort you with His comfort that you will one day enable you to comfort others with the same comfort you have received. When I lost a loved one I was so grieved and a friend of mine said" Was she worth grieving over?" Yes, I said. "So grieve for her" I know Bryan will be grieved. Because he was so worth it. May God infuse you with His power to pass through the water and not drown and through this fire without being burned. Love and Care Beverly Powell

I had the pleasure of working with Bryan and Julie at Delta for many years. He was a joy to work with, especially the arguments we used to have that would have all laughing. Julie, my heart and prayers go out to you. You were both like my children and I loved you both very much. I am blessed to have been able to call Bryan my friend and you too. He will be missed. May God bring you comfort during this time. If you need anything, I am here. All my prayers for you and yours.

“ *Julie, there is nothing we can ever say at a time like this ease the pain. I do know that GOD will lead you thru it has he did me and make things better in time. Delta also is your other crutch right now. The family there is one of a kind. Ask for help if you need it and don't be too proud to take it - I have only known you a few years but we have enjoyed many talks - - reflect on the good times and enjoy the rest of this life - take care we love you .*
