“ Brent,

Please accept my deepest condolences, to you and your loved ones, for the passing of your father. I did not get a chance to know him, but getting the opportunity to develop our relationship, I know your father was a great role model.

“ Uncle Charles was only almost 14 yrs old (I'm his niece) when I was born.He was like having another big brother!!! He would cut up & play (roughly) with us,by picking us up by our ears!!! He & his 2 brothers would often act out scenes from the 3 stooges...lol. He loved the outdoors and was often found at the lake or beach. Charles,you will sure be missed & you're very loved 😊❤️ My prayers go out to all our family & all his friends ..till we see you again,we love you

“ Uncle Charles, I'm glad you liked my homegrown tomatoes the last time we all ate together. You reminded me so much of my Mama's brother Robert.. And I adored him... Your front porch, back porch was beautiful.. and Bubba was so honored you named the scrub shack after him. We were working up on Weiss lake when we got the call of your passing.. we cried... but then dropped a line in the water and thought that's what you'd want .. Remember you when we fish.. Remember you when we see whimsy's in a garden.. Remember you when we taste the first red ripe tomato of the year... Love you Uncle Charles.. I bet you are fishing in Heaven..
