“ *Ricky and Kenny, I'm so sorry to hear of your Dad's passing. I have such fond memories of his warm welcome and ability to make me laugh every time I saw him at the Nik Nak, especially when he seriously counseled me to run for mayor of Union City!! What!!*

“ We truly enjoyed and appreciated our friendship with Chip and Flora while our children played together in Little League ball in Fairburn, Georgia. We loved and respected their high morals and wholesome traits not only for our family, but for all the families in the Little League organization. Our hearts and prayers are with your family.

“Chick I will never forget you. We met while you walked your dogs past my house every evening. You invited me to come down and see your house and see how Flora had the kitchen decorated in Mickey Mouse theme. So one day I did. Well I kept coming and enjoying yours and Floras company. I will always remember the smiles you gave when you were so sick in the hospital. You were so brave and strong. God put me in Florida for a reason. To get to know you and Flora. I will always cherish my friendship with you and Flora. But now Flora and I are left with our friendship and I will cherish hers and my time together. I praise God for the time we had together in and out of the hospital. "I will make sure Flora buys that bed!!" Until we meet again in heaven.

“ One year ago, my pops and grams came to my wedding. 💜 One of the last but best memories with him. His spirit will always be here with us. There have been many times they came to visit and we would go to lunch or we would just hang out. I'm so blessed that he was able to meet his great granddaughter Haddie Ellie through FaceTime. I wish he would have been able to meet her in person, but we are extremely blessed for what we were able to have. There are MANY memories of when they lived in Sharpsburg. I spent many summers and weekends at their house swimming and just being there with them. For most of my childhood, I only had one set of grandparents. One grandpa and one grandma. I will always love papa and he will forever be missed. He will always be close to my heart as well as everyone else. He was such a kind hearted man, humble, and served his wife every single day. The memories will never fade away.

Oh, Chic...I am very happy that I got to know you and Flora 6 years ago. I always thought you guys were crazy walking the dogs so early in the morning. After you moved...which I tried so hard to talk you out of .. I missed seeing the two of you being dragged down the street by the dogs . Now that your gone, who is going to stop Flora and I from talking? Harry and I will miss you;. You were a good friend.
