Charles is also survived by his sister Lynn Carnes (Tony) and brother Tim Dix (Elisha).

In lieu of flowers, the family kindly requests donations be made to the Royal Animal Refuge or the Fayette Humane Society, reflecting Charles' enduring love for animals and dedication to their welfare.

Charles Dix will be remembered for his adventurous spirit, loving nature, and the warmth he brought into the lives of those he touched.

“ I was very sorry to hear about Chuck. When you think about Chuck, or if someone mentions his name, you just naturally smile. He was always happy, had a good word to say, and asked how you were doing. A great friend. It was a pleasure to have met him. My prayers and thoughts are with Wally and the Dix family.

Chuck bought me my first Atlanta Gut Rocket.

“ What can I say about Chuck, he was a wonderful person and I am blessed to say we were friends. He gave the best bear hugs!!! Ouch! He made me laugh every time he tried to order sweet tea when he and Robin would visit me in California. He was persistent. Chuck and Robin house sat for me so I could visit my family in Boston. I was so grateful! At the time, I had Great Dane and I couldn't PAY anyone to watch the dog. So I filled the fridge with food and stocked the bar. Well I came home to a full fridge but the bar was not that lucky! I will not say goodbye but I will say See y'all later. I will miss you my friend.

So sorry for the family's loss of such a great guy. There are so many memories of him, Lynn and Tim from church, being neighbors, riding horses, playing in the woods and so much more. I love looking at his picture; he looks just like Mr Linwood with that great big happy smile! Prayers and love for his family.

So Sorry to hear the news about Chuck. We worked together at Griffin Daily News as from 8th grade thru High School. We had lots of fun in my 55 Chevy and the above mentioned "Jive Time." He encouraged me to go to Gordon College in Barnesville, Ga. He set his sights on Delta and I on the newspaper business. Sounds like he made great friends at Delta. That's not surprising. He made friends with so many people.

Prayers for his entire family. May God bless you all.

“ Chuck, you will be forever part of my heart and memories. The stories we have told on airplanes, to the back woods of stinking creek rd in TN. You made everyone around you feel like you were there friend and most like we were family. Fly high ol son, keep the throttle twisted and know that we will see each other again. Love ya brother.
