“ I will miss him so much I remember one Christmas comming home from Loganville Georgia and a pickup truck in front of my mom's car hit a deer my mom is she was picked up the deer and put in the back end of the car and we got bad kind of late and she asked my brother to walk down the street which is only two houses down and get mr. Gordon and mrs. Gordon and asked if they would like to help us fix this deer up we would give him half this deer I never had a great Christmas I watched him actually fix that dear and cut it up and fix it up for both of us so that we would have venison for the rest of the year that was the first time my mom didn't get her a bonus if she was supposed to at work and we was strapped on cash. I will miss you tremendously you are a great person and was amazing to know you all of my love to your family!

“ *I remember the very first time I met Charles while you were dating him before you got married, (Aunt) Elizabeth. You had prepared a meal which included pickled peaches. As I started to cut mine, it went flying across the table. Was I ever embarrassed - but you made out like it was no big deal and made me feel right at home. I also remember that our family missed your wedding because we had to keep stopping to add oil to our station wagon. We made it just in time for the reception!
So sorry for your loss. Love you and your family! Praying for you!

“ *Mr Gorden was a great friend and my #1 hunting partner. He was a mentor to me and taught me alot of his gardening skills. He was like a father to me and my children. We shared some special occasions at my home and I know he loved the Lord and he is with him an Kevin now and totally healed. I will miss him but get to see him some day. Love you always Mr Gorden.
