“ *Donna and Hope,*  
*I knew Chuck at the drop zone in Covington. I always looked up to him as a big brother figure. He always looked out for me as he did others. I've not seen him in years but have talked to him on the phone a few times and on facebook. I have fond memories of his friendship and I know that you have them as well. I hope that those memories will help you now and always.*

“ Donna and Hope, I knew Chuck back from the Covington drop zone days. He was a great person and always took care to make sure everyone had a good time. Peanut and I spent many nights on his apartment floor after a long day of jumping. I lost Peanut 3 years ago after a 2 1/2 year battle with cancer too, so I can somewhat share in your experience. Please know that Chuck is no longer in pain and is in a better place with our Lord. Know that you will feel the relief, anger, grief, guilt and emptiness...all that is normal. Prayers to you and yours.
