

Charles Rodney Atkins

October 13, 1963 - January 16, 2024

On Tuesday, January 16th ,2024 the world lost a good man. Charles Rodney Atkins unexpectedly left this earth at the age of 60 years old. Rodney was many things to many people, friend, coworker and father to name a few. He was someone who was always there when you needed him. A selfless man who would give you his last if you needed it. He loved the open road and was a truck driver for almost 20 years. As a free bird he got to see sights that most people can only dream of. He had many hobbies and in highschool he sparked a passion for music and played the drums for many years. Fishing was something he found enjoyment in and he was always ready to be around nature. He valued the simple things in life and put his family first. Making memories was his life's goal and seeing others happy and laughing was his talent. His family will greatly miss him forever. Rodney is survived by his Father, Charles Larry Atkins; Son, Charles David Atkins; Daughter, Devon Millen; Grandkids, Carter Millen, Cailyn Salter; Brother, Ricky Atkins; Nephew, Caleb Atkins; Former wife now friend, Delaina Gresham. A celebration of life will be held at a later date with details to come.

In lieu of flowers the family requests donations be made to the American Heart Association, www.heart.org.

“ This is sad. I went to school with Rodney from 1st grade to 12th grade. He was a kind person. One of my most memorable moments are of him doing magic tricks in elem school.

“ I think Rodney worked at some point, years ago, in Union City, as a communications operator, within police department. If indeed he did, he was one of the finest people to have contact with. Super friendly always happy.

“ As a child. Rodney was always the clown. He got that from his Grandmother. He loved going fishing with his Grandfather and would be so proud of his catch of the day.
