“ To the entire family,  
I'm awful sorry about not being able to attend the Funeral as my health doesn't allow me to do any long drives anymore.  
(Uncle) Charles was more of a brother than an Uncle to me as there was only 13 years difference in our ages. When we were younger, we did a lot of things together. And over the years, even worked together, but as time has it, Deb and I moved up here to the Mountains and seeing our families has been hard to do.  
Losing a loved one is never easy for anyone. Charles was the last of the three Smith Boys and we will all miss him. But maybe think about it this way, he now is with a lot of loved ones that went before him and he is catching up on all that time missed with them and you all know how it is when you get a bunch of Smiths together!!!  
God says, "Where ever you go, there I am also!"  
May God Bless each of you in all you endeavor.

Keith Smith

“ *To the "GRAND-DADDY" who stole my heart at "Hello,"*

*There are truly no words in the dictionary to adequately describe you; your love, stubbornness, willingness to give and help anyone, kindness, sense of humor and adventure merely scratched the surface. Your laughter touched more people than you can imagine, and your laughter instilled life in those closest to you. We all have memories that will never be forgotten, because of this. The strength and love you showed your wife, children, grandchildren and great grand children will forever reflect a special imprint on our hearts that can never be removed. We are all sorry to see you go, but we know you are already together with your sweetheart and Corey catching up on old times, as well as sending us strength as we grieve.*
