“ I'm sure he will be greatly missed by all. I have a lot of memories of him and my son Charlie Smallwood who passed away about a year and a half ago. In their younger years they traveled across the US following the wide spread panic band. They had so much fun. I cooked many a meals for them and Chuck spent countless nights at my house when we lived in Palmetto. Now maybe they are up there together with new bodies and no more pain or problems. I'll miss him just as I miss my son . Both gone way to young . Keeping you all in my prayers. Pat Smallwood
