“ Gosh I'm gonna miss you mom you were the best mom we could have asked for you made everything the best and you have the heart of gold. You loved Daddy and your family unconditionally, the good the bad the ugly you were always there for us, I'm gonna miss looking at those sparkling blue eyes of yours and wondering what crazy color you would do your hair next, I know you ran straight to Wayne as soon as you went into the gates of heaven I know that y'all are watching over all of us we love you so much and will meet again someday.
