“ Cheri and I were able to share some time together on New Year's Eve 12/31/21 as we shopped in the produce aisle at Publix PTC East. My receipt says we were there until 1pm and we must have chatted for 30 mins or more as we caught up with each other. Cheri was her usual upbeat, cheerful self and she bubbled over as she shared about her current job as companion and caregiver for elderly. She had just driven someone for a haircut or something and had time to buzz into our grocery store that was not in her area. I was doing other errands and impulsively stopped in there to get collards for New Years Day. It was a God thing we both decided. We were going to meet again perhaps the 2nd Tues in Jan at First Methodist to take a mutual friend to one of Cheri's caregivers trainings held on Robinson Rd PTC. When I did not hear from Cheri I wondered as she had our Golden Cru roster from Senoia Legacy Christian and said she would call me with info. So we will meet again in heaven Cheri. You were such a blessing to those of us at Golden Cru. Love you girl!! Sydney Bontrager 4049444492
