“ Your love has come back to you. Mom went very quickly and had just celebrated her 96th "real" birthday. Let her know that I am okay, but it is very difficult without her. She loved with all of her heart. I know she's happy to be with you and all of those that went on before her. Love you dad.

“ *My grandfather was a great man. I am so glad I got to talk to him before he went to be with Jesus. He loved and cared about me so much always asking how I was if he hadnt heard from me. I miss him so much. He always made me laugh with his stories. 💙 love him.*

“ *My dad was such a wonderful man and I miss him more everyday. He always encouraged me during difficult times and my only comfort lies in knowing he is no longer suffering. He was one of the most intelligent and carrying people I have ever known and worked very hard supporting his family. He told me not to cry because he had lived a good life. It was just not long enough for me.....I want to pick up the phone and talk to him, to tell him hello and I love you. He was the only one in my family that called me Linda, my given name, the rest of my family calls me Lynn. As a little girl, I would dance on his feet to the Polish Polka. I always felt safe with him, knowing that he would always give me the best advise possible and pick me up if I fell. He was the best dad anyone could ask for.*

*See you in Heaven, dad. I love you, your little girl, Linda.*
