“ Tot he Family of Chris Evans: My name is Barbara Jones. My daughter Lillian worked with Chris at IHOP in Fayetteville. I have become known as Mama Jones. I want to express my deepest sympathy to you and your family. Chris was one of my IHOP Babies. She will be greatly missed. I can't imagine how you are feeling at this time but know that God is here to get you through all pain and sorrow. Please let us know if there is anything we can do for you. I don't know the family but I feel as if I have lost one of my own. Our thoughts and prayers are with you all. My best memory of Chris is that I use to sell Avon and the first time she ordered from me she paid with a check but the check was made out to Mama Jones not Barbara Jones. People still laugh about that.

“ Dean, Carl, Jonathan, and Caleb,
I am so sorry to hear about your loss. Chris was such a special young lady. In speaking with some of her former classmates and teachers it just brought up wonderful memories of the times we had together in class and on the basketball court. Her vivacious personality was contagious to all who came in contact with her. I remember the time she pierced her naval because it was against school and parent policy only to get it infected. Our thoughts and prayers are with you. I know God will hold you close during this time. We love you,

“ Dear Friends,
Our hearts are saddened at the news of Chris Leigh's death. But we know that our God only allows what is best for us even though we do not always understand His ways. We pray that you will feel a special comfort from the Lord and your friends and family at this time. We wish we could be there to comfort you in person, but Bethany is in the hospital in Boston receiving medical care for her cancer and we are traveling back and forth between home and there! But please know that our love and prayers are with you all.

“ Carl, Dean, and Family,
I am so saddened by this tragedy, and will always remember Chris Leigh and her sweet spirit...and BIG smile. There are many special memories of her, and pool parties at our house. Chris Leigh was so blessed to be raised by two strong Christian parents. So many children are not that blessed in today's society. I admire your strong faith, which I have witnessed many times over the past 28 years. You have set an example that all Christians should live by. May God continue to give you love, peace, and grace in the days ahead.

“ To the Evans Family:

Sorry for the loss of your daughter. It seems so unfair that death should have the power to take away someone you love. And when it happens, the thought of never again being able to talk to, laugh with, or hold your daughter can be most difficult to bear. That pain is not necessarily erased by being told that your daughter is up in heaven. The Bible, however holds out a much different hope. The scriptures indicate that it is possible to be reunited with your daughter in the near future, not in an unknown heaven but right here on earth under peaceful, righteous conditions. (Please read John 5:28,29 and Psalms 37:9-11,29) If your heart yearns to see your daughter again, Jehovah's Witnesses will gladly assist you to learn how you can make this sure hope your very own. “ We love all of you so much. There is not enough words to express the pain and heartache that we feel for you. We know that Chris is with the Lord and one day we will all join her. But until then we are here for you and will continue to lift you up in prayer.

“ *Ecclesiastes 3:1*

To every thing there is a season, and a time to every purpose under the heaven:

It's so hard to understand sometimes why God allows certain things to happen. But I know that we believe the verse in Romans 8:28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

No, it doesn't make sense, and it still hurts. But knowing that God sees the BIG picture, and all that we see is through small windows, helps me to have faith and trust that God has something so wonderful that will come out of Chris's passing away.

Chris was such a sweet person. And we will are so sorry for her loss. We will miss her! Bro. Carl, Mrs. Dean, Jonathan, and Caleb, you are all in our prayers. Love Ya'll, The Horsleys
