“ *Bonnie and family.*

*We won't be able to make the services, but just wanted to send our regards. I had all of you on the prayer list at our church, St Matthew, Tyrone.*

*I remember Chris taking appointments and manning the phones during tax season a few years ago. He didn't let Bonnie know that I was there for my appointment, which was no problem for me but she "fussed him out anyway". He was a good sport about it.*

“ Bonnie and Family, words are not enough to let you know how much we cared about Chris Gould! We are so sad to know he is no longer with us on this earth, but I know he is singing in God's heavenly choir, maybe even leading it! Chris meant a lot to Everette and I. He was always there for everyone, no matter who walked into the church office, if Chris was there, he was ready and willing to do what he could to help them. So many people in Palmetto and the community have been helped by him. The PBC Food Pantry existed because of him! So many have been helped there over the years. Cannot imagine your pain with this loss, but just know so many others are hurting along with you. We love all of you so much, and may God comfort you in this time and in the days ahead of you.

“ There is a huge hole in the hearts of those who knew and loved Chris. There is also a huge hole in the music and missions ministries of PBC. I have been on many mission trips and youth trips with Chris, and not one time have I seen him lose his temper! I pray for peace and comfort for Bonnie, Kimberly, and Francis and their families. I pray for peace and comfort for the PBC family. Until we meet again.

“ *I will not be able to make the services for my friend, my brother, and mentor but I just want to say. I , for one can say, was touched by a man who has a heart of God. I spent many hours, sometimes all in one day, talking about my problems, I was a teenager. And never once did he complain or act like I was bothering him, but one good thing came out of all those times. Not only was my problems worked through but I gain a friend who has a gentle soul but a passion for God, his family, and the Atlanta Braves. I know I will miss the fact I can not pick my phone and call him but I thank God for putting him in my life. He is in Heaven right now singing with the Angels was hen he got there my father meet him and told him how much he was glad that Chris was there for me. Chris I miss you and love you Thank you for all you ever did for me. The Gould family I was I could easy your pain of you lose and thank you for sharing him with me and in turn making part of your life.*

“ Chris has been a part of my life long before I became a Kearns. He opened his smile, trust, heart and arms to me when I was still living in the children's home. I grew to easily trust him, love him and admire him. He had his hands in a part of everything at our church. I was a part of the youth group and as I became married I joined the adult choir. He was a huge part of Cameron's life and our son McCullough life. To Know him was to love him and we forever will.
