“ So sorry to hear of this news. I am so sorry that I did not hear in time to be at the memorial service. Christie was one of those Mothers who gave all to her family. I will remember her as she would come to my office, as when I served there at PBC, to simply share her life experiences with me. She will be missed here, but well received there. May our Lord bring comfort to the family.

“ I am so sad to hear of the homegoing of Christie! She was such a sweet lady! Got to know her when I served as Office Manager of Palmetto Baptist Church, It was my joy and honor to get to know her and her family while at PBC. May God comfort you, and friends surround you with love and support during this time. I will miss Christie!
