“ *Clancy, I still can't believe that I am not living in a bad dream. My heart is broken into a million pieces! You truly are irreplaceable. Working with you and knowing you over the past 10 years has been the best! I don't know how we will move forward without you. I never once saw you mad or upset. Never once did you tell me no to anything I asked for help with...ever! Your smile and kind spirit would light any room. Your love and passion for your work never went unnoticed. The pride you took in your work was truly inspiring! I will miss the little wise cracks you would make to me. I will miss how you always made me feel appreciated. To Bobby, Dawn, and the rest of your family I will pray extra hard that God will wrap his loving around all of you to help you through this most difficult time. May you find comfort in the memories you have and knowing Clancy is resting in peace with our Lord and Savior in Heaven! Until we meet again my sweet friend I will miss you terribly!!!*

*Family, It saddens my heart when I think that Clancy is not going to be there for me to send him greetings. My daughter, Kim, who worked along side of Clancy, always calls me everyday just before going to Greene Manor and I would always ask about Clancy and the other employees. I would always ask how everyone was doing and to tell them hello. Clancy always asked how I was doing. He was a caring person who always cared about others and wasn't afraid to show that tender side of himself. Before my husband became confined to home, we would come to Atlanta and I usually would see Clancy out at Kim's gardening when he wasn't at Greene Manor. He had such a love for plants and being in the outdoors. I will miss him but I will always remember him with that wonderful bright big smile. My prayer is that he is now in that Heavenly garden taking care of all those beautiful flowers. If we have received Christ as our Savior, we will see Clancy again someday. 1 Corinthians 2:9. You are in my thoughts and prayers. A friend, Faye Cook*

“ I first met Clancy at my daughter, Kim's, home. He loved gardening and loved coming out there to garden from time to time. He was such a gentleman always courteous and friendly. He impressed me as being someone who loved life and people. He always sent greetings to me whenever Kim would talk to me by phone and of course I was always asking Kim about him. Even though I lived many miles away from him, I always felt like he was a friend. I am going to miss him very, very much. Family, you will be in my thoughts and prayers in the coming days as you grieve in the loss of your dear love one. Psalm 23 is a scripture that can bring comfort to your broken hearts.
