“ William and I just wanted all of you to know how much we loved Clara and that we will miss for dearly. Her smile and humor was contagious and her love for the outdoors was mind boggling. I personally loved going with her on the golf cart where she would talk about flowers and plantings and life. Clara was a kind and caring person. I know that we will all miss her but know she is not in any pain anymore. Much love to the family that loved and took care of dear Clara.
