“ Terry will always hold a special place in my heart. We were friends for over 30 years and shared so many memories together. I was able to talk to her on the phone on May 10th - we spoke of the great fun we had back in our 20's and it was awesome to hear her laugh. Those wonderful memories and her great laugh will forever live on in my heart. I will keep her daughters and family in my prayers. I love you Terry. Terrie

“ Ashley, Nicole, Sherri, Shirley, & Family, You all are in my thoughts & prayers at this sad time in your life. Terry was more like a sister than a friend. We have been friends since I was in second grade and she was in first grade. I will miss Terry's big smile and kind heart. I will miss our long phone conversations, and the way we could make each other laugh hysterically. Terry was a super friend, and she will live on in my heart. May God bless and keep you through this sad time!
