“ My sincere condolences to the family of Mrs. Connie. I just joined the State Court Traffic Division in June of this year and Mrs. Connie was so thoughtful and helpful and such a joy to see every day. I loved her smile and her spirit and her determination was a blessing. She will be deeply missed.

“ My deepest condolences to the Champion/Mason family. I am a former coworker and I know Connie was a top level, very valued employee. She was an honest and capable individual, who I found to be very knowledgeable about protocol, procedures, and the innermost workings of our office. She came into contact with all personnel and was very familiar with all the various departments of our office as well as county-wide departments. Connie was always friendly and kind and always willing to help whenever needed. She always went above and beyond in my estimation, and could usually answer any questions you might have. I know Connie will be missed by all who knew and loved her. My thoughts and prayers go out to all for strength and comfort at this very sad time.

“ *This just breaks my heart. I had no idea Connie was battling cancer. We were gym rats/curve buddies when I lived on Fayetteville. Of course, we'd workout and then hit the Mexican restaurant for tacos and Margaritas! We both had grandsons named Ryder. We both enjoyed posts of our big boys! I always remembered how much she loved Sammy and Jason and always spoke so fondly of them. She truly was one of a kind and one of the sweetest women I've ever met. Rest in peace my friend. You will truly be missed. ❤️*
