January 27, 1965 - May 20, 2025

Connie Louise Eskew Davenport (1965-2025) Connie Eskew Davenport (60), of Newnan, Georgia passed away of complications due to pancreatic cancer on May 20, 2025, surrounded by her loving family. Connie was born on January 27, 1965 in East Point, Georgia. She was the daughter of George Wiley and Geneva Gammons Eskew. Connie graduated from College Park High School in 1983, then went on to Young Harris College, earning an Associate's degree in 1985 and Georgia State University, earning her Bachelor's degree in 1987. Connie met Steve Davenport in 1983 while attending Young Harris College. Steve and Connie married on October 1, 1988 in College Park, Georgia. She was their biggest fan in all that they chose to do. From watching Ashley ride horses to going on spontaneous adventures with Jenna, she was with them every step of the way. Connie enjoyed traveling, especially summer trips to the beach. She loved walking along the beach to find shells and enjoyed watching Steve and the girls jump the waves. Watching the sun set each evening was her favorite and every beach trip she requested family pictures at sunset. Connie worked for Delta Air Lines from 1989 until her passing. She followed in her father's footsteps in working for Delta. Connie was proud to

earn her 35-year pin in Fall 2024. Connie is preceded in death by her father, George Eskew, brother-in-law, Harry Varnadoe and father-in-law, Stanley Davenport. “ *I always enjoyed working with Connie. Every morning we would have coffee, talk about our families and what was going on in their lives. She was so proud of Ashley and Jenna and beamed with pride when she talked about them. She would tell me what Steve was up to and maybe plans they had for the weekend. She loved her family and treasured them dearly. I was lucky to know and work with her. She will be deeply missed by all and remembered for the kind, generous person she was. I will miss you friend.*
