“ Aunt Connie was an amazing woman and my aunt that I love so much. I have so many memories growing up with her and my most was her always chasing me down to make me out my shoes on because I didn't like to wear any 😞. But my memory of seeing how she loved her whole family and it always showed. You are truly going to be missed aunt Connie but your memories will always live in us. Rest in peace sweet angel. I love you

As I sit here and think about my Aunt Connie I hear her laugh in my head and see her bright smile in my mind. I might not have been next door to her or right around the corner but growing up when I came to visit it was like I was never away. Living in another state it was hard to get face to face so I spoke to her a lot through social media and other ways when I could. She always let me know when things were happening in our family. The world is forever going to be changed. I am praying for my cousins as they mourn their treasured mother. I love you all. Until we meet again Aunt Connie fly high and rejoice with grandma and your siblings as you reunite.
