“ My sympathies to all of the Brice family. They were a second family to me growing up with Connie baking me a "sweet sixteen" birthday cake as one of her many kindnesses to me. She'll definitely be missed.

Sincerely,

“ *Connie Brice was one of a kind. My memories of her dating back to childhood will always be of boisterous laughter pouring from a woman who grabbed life by the horns. She never hid her light under a bushel for a single second. How blessed I am to have been the beneficiary of such love as I was becoming a young woman. What an example to aspire to! I am praying for you all as you navigate this void of missing her. She is surely cheering you all on with a voice rivaling all the angels in heaven, waiting expectantly for the day when we all get to be together.*

“ *Dearest Keith, Rick & Lin and family, Oh how I loved Connie Brice! She was such a fun, loving person with a quick wit. You never knew what she was going to say, but say it she did. So many times she had me in stitches. She loved her family like a Momma bear. She always had that wonderful twinkling smile for me when we happened to meet. I know the good Lord was happy to see you skipping through the pearly gates. May all of her family and friends know peace and comfort that she is with her Father in heaven. Love and prayers to you all, Ruth*
