“ *To the brother I never got a chance to meet. I remember the first time we talked on the phone. We laughed because our father gave us all the middle name Christopher. I told you I was going to make it my mission to come and visit you. You told me about all my nieces and nephews I had. I pray we meet in the heavens one day. Until then my condolences goes out to your mother, your children and everyone else who love you.*

“ *Pam, I'm so sorry for the loss of your son, tough times I'm sure. Please take care of your self and if you want to talk please call. I have tow kids my self. One is a skydiver and one a rock wall climber. I worry about them all the time. Its scary. I have you in my thoughts and it makes me sad to hear of your loss.*

*Take care
