

Courtney Waits Pate

July 2, 1976 - December 23, 2024

Courtney Waits Pate, a beacon of light and inspiration to all who knew her, passed away on December 23, 2024, at the age of 48. Born on July 2, 1976, Courtney lived a life that was as vibrant and impactful as it was courageous.

For 14 years, Courtney served as a Receptionist at New Hope Baptist Church, where her warmth and kindness ministered to everyone she encountered. Her smile was a welcome greeting, and her compassion made each interaction special. Courtney had an incredible ability to make everyone she met feel loved instantly, leaving a lasting impression on countless lives. Even after she needed to step down from her role due to health challenges, the church recognized her with a standing ovation, a testament to the profound impact she had on the community.

Courtney faced Spina Bifida with remarkable strength and grace throughout her life, refusing to let it prevent her from living fully. She cherished her time in Pigeon Forge, forming lasting connections with workers at various local spots. Additionally, she found immense joy spending time at the lake, where her spirit shone brightly.

She is survived by her devoted husband, Eric Pate; her loving parents, Alan and Linda Waits; her mother-in-law, Kaye Pate; her sister, Heather Crook (Mark); her brother, Andrew Waits (Toni); and her adoring nieces and

nephews, Payton Waits, Matthew Crook, Emma Loeber, and Kyle Loeber. Each of them held a special place in her heart, and she in theirs.

The services celebrating Courtney's remarkable life will be held on Saturday, December 28, 2024, at 11 o'clock at Southwest Christian Church, with visitation beginning at 9:00 a.m. Her legacy of love, resilience, and unwavering positivity will continue to inspire all who were fortunate enough to know her.

“ I love that I have so many strong memories and examples of love and care from Courtney. I always enjoyed stopping by the front desk to speak with her and sit for a while. She always asked for a hug and asked how things were going. She was also always quick to remind me that I better come see her the next time I was back in town - she was always an intentional encourager!

“ To Eric and Courtney's family, I don't have the words to express how much my heart breaks for you guys. I loved her like she was family more than friends. I always thought she was an angel looking over me. She had a way to always make you smile with kind words or even just a smile no matter her own issues. I will forever miss her but her wisdom will always walk with me. I will see you again.

“ Courtney has been a constant in my life for as long as I can remember, over 35 years now. My siblings and I all grew up under her watchful eye and she was always waiting with a smile and open arms every Sunday and Wednesday. As I got older, joined the military, and eventually moved away, one thing I could count on as my friendships and connections to Fayetteville changed was Courtney at the reception desk of New Hope. Anyone who has spent time away from their home and their community can appreciate those individuals who cement themselves as an ever welcoming constant no matter the distance and time.

My father and mother both worked at the church for a time and that gave me the opportunity to see Courtney frequently. It didn't matter how long I'd been gone or what I was going through, I knew that she was going to go hustling through that door from her desk to give me a giant hug. She was a constant in my life that I don't think I truly understood how much I appreciated and I am forever grateful for her kind soul and friendship.
