“ Crystal was in my very first class for Customer Service at Hyundai. She always had a smile on her face and was the sweetest person in that building. When I would visit the office, my desk would be setup right next to hers and we always laughed and laughed. Even when I left ATL, Crystal and I talked all the time, she could lift anyone's spirits. I'm sad that I lost touch with her the last couple of years, but I never forgot about her. She truly made an impact on me. Crystal was truly a blessing and I know she is smiling from up above. Sending my deports sympathies to Byron and to her whole family. Much love to everyone.

“ This hit hard. I was so happy to see Crystal come back to work. Even though it was a short time before I was leaving the company. I've known Crystal our whole Hyindai career time and she will always be the sweetest, caring person with a heart of pure unconditional love I will have ever known. My prayers and condolences to your family love.

Byron and Crystal's Family,

I am still in shock about the passing of Crystal. Crystal was the first face that I saw when I had my interview at HC. I instantly felt her kind Spirit. Little did I know months later that she would be the person that I would shadow after training. We became close and we shared a lot. I just Loved that she Loved Old School Music!!! She used to say, "Lady T.," "What you know about that?!" I know that she was a Daddy's Girl and would often speak about him and her jamming. I am missing you already my Friend! I am still waiting for you to call me back. Sister Gadget, I Love You and Thank you for so many beautiful moments that we shared. Smile, Laugh, and Dance!!!

Forever, Teresa

“ What a beautiful soul; where do I even begin? You were a great motivator and nurturer who leaves a behind happy memories! I remember i once made a red velvet cake (she doesn't care for the flavor) but she absolutely loved mine!! I'll cherish all the memories of you! Though we may never know the hour, know that God doesn't make mistakes and needed you more! To the family, I pray you find peace and know you now have a personal angel for protection! You will be missed!

*My condolences,

“ My heart aches to hear this news. Crystal was one of the most genuine people I've met on the job. I had the pleasure & privilege of meeting her while working together at HCA. Though we worked in two different departments, when we'd bump in to each other in our comings & goings, she'd also say "Hey Henry how's it going?" It was always a pleasure to see Crystal. Crystal, I wish it was me & not you. Society needs more kinder people on this earth and it isn't your time. I'm praying for peace for your family. You're unforgettable! RIH

“ With a heavy and broken heart, there aren't words to express how grateful I am to have had Crystal as my friend and co worker. She was the most amazing Lady I've ever had the pleasure of knowing, her smiles, laughs and presence always warmed every room or building she entered. She sooo loved her hubby, mom and family, as well as her Saints and Tigers. My deepest condolences are with all of you during this tragic and difficult time, Crystal you will forever be in my heart 💜

“ My heart is broken. Crystal was one of the sweetest, kindest, most genuine people that I have ever met. I had the pleasure and privilege of being her manager during our tenure together at Hyundai, and she was just everything to everybody on our team. Crystal, I love you, and I'm praying for peace and comfort for your family. You're irreplaceable.

“ Crystal was one of sweetest people I've ever met. We didn't agree on SEC or NFL football teams (she was a diehard LSU and Saints fan and I diehard Bama and Falcons fan), but we agreed to disagree lol!!! No matter how bad a day I was having, her huge smile and sweet disposition would always cheer me up. She will truly be missed. My sincere condolences to the family. My thoughts and prayers are with you all.

“ My Condolences to the family. Crystal was a loving person so kind and thoughtful of others. We had talks from time to time and Thursday before I went home from work was one of those days. I will miss our conversations, her smile, warm hugs such a loving kindness. Her love of sports for her LSU team and Saints, I use to give her a hard time about those Saints and LSU but she was always true to them as she was to her faith. God was the center of her faith and it was great to see her share it with others. She was not ashamed of in whom she believed in - it was GOD. Till we meet again - always in my thoughts. Will miss you Crystal.
