“ Chester, I have good memories of working with your mother in the children's department at Red Oak Baptist Church when I was just a young mother myself. I was so fond of her and appreciated everything she taught me because I was so new at being a teacher and needed all the help I could get. She was an inspiration to me in my young adult life. You were so blessed to have her as a mother. Will keep you and Donna in my prayers.

“ *Chester and Donna I really don't know what I can say, and I don't know what I can do, but one thing is for sure I can pray for both of you and you are in my thoughts and my prayers. I have seen your mother over the years and talked with her but I have talked to so many ladies that she has gone to church with over the years and they all share what a wonderful person she was. Saying she was very loving and giving and was always Carrying Food when there was a need in a family in addition to cooking food at church gatherings. I won't be able to go to the funeral in Alabama but just know that if there's anything I can do for you please let me know.*
