Jennifer, I am so very sorry to learn of your grandfather's passing. Although the transition of a loved one is one of the most difficult things we all must endure, please find comfort in knowing that you and your family are in my thoughts and prayers.

“ Curt was my lead mechanic on Louis Hagans crew For many years until I transferred to line mtc. I really enjoyed working for Curt.He was well known for getting us to throw Half dollors to the cement expanion lines in the old hangers before the Jet Base was built and for some reason he won the half dollors most of the time.Love you Curt.Maybe we can throw some more half again someday.

“ I do not know how to tell your precious family just how very much your dad/granddaddy meant to me. Over the past few years, Jerry and I had a "special place" to sit each Sunday. He was one of the few people that kept up with us, whether we were there or not. On one occasion, we were late coming in to worship, and someone took the seats he always saved for us. He got up, came over for a hug,and told us how sorry he was that he couldn't save our seats. His faithfulness to the Lord, his family and his friends,will always be remembered. I thank God that He allowed me to know this family. You have been a blessing to me. I miss my sweet friend. I love your family.
